SUBJECT: WORKFORCE DEVELOPMENT PROMISING PRACTICES WEB SITE

This is to announce the launching of the Employment Development Department Workforce Development Promising Practices Web site. We received many entries for the Web site and initially we have posted a portion of those items representing a variety of topics to kick off the Web site. More items will be added monthly so check the Web site on a regular basis for new entries. We also encourage you to continue to send in your promising practices to share. Let us know what topics you would like to read about that will help you improve services and operations in your One-Stop Career Centers.

We appreciate all the Local Workforce Investment Areas and other interested parties that took time to write up and contribute their promising practices. Without your input this exchange of information would not be possible.

Visit the site at www.edd.ca.gov/wiarep/wiappind.htm. If you have any questions regarding this bulletin send them to WDForum@edd.ca.gov.
